### (Recommended) Victoria AFT C.O.P.E. Contribution form

The Victoria AFT encourages all of its members to participate in local campaigns and to support and endorse candidates who will be sympathetic to our issues as educators. In addition to dues, the Victoria AFT Committee on Political Education (COPE) collects voluntary contributions from members in the amount of \$1.00 (one dollar) per month and uses those funds to support state and local candidates for political office who support public education and public education employees. Making a contribution is not a condition of membership, and members have the right to refuse to contribute without loss of membership status, rights or benefits. You may contribute to Victoria AFT COPE by providing your signature here:
