## DISCLOSURES

The AFT has numerous endorsed programs listed in this brochure for which it receives expense reimbursements. All payments to the AFT are used solely to defray the costs of administering the AFT + Member Benefits programs and, where appropriate, to enhance them.

Many of the AFT's benefits are provided through Union Plus and may require registration on the Union Plus website. The programs listed here are current as of July 7, 2022. Visit [aft.org/benefits](http://aft.org/benefits) for new programs and enhancements.
