# FOR PUBLIC SCHOOLS

IT'S TIME TO WIN THE RESPECT PUBLIC SCHOOL EMPLOYEES DESERVE

It is past time that policymakers listened to the experts on our schools: the teachers and staff who work in them every day. If they don't, they'll continue to see the staffing crisis that threatens the schools our kids deserve.

Join our RESPECT Campaign today, and be a part of our movement to fight forward on important issues that will make a difference in the lives of public school employees, students, and the communities we serve.

## OUR RESPECT AGENDA INCLUDES:

- \$10,000 minimum state pay raise to make up for "The Lost Decade" of wages.
- 15% across-the-board pay raise for support professionals.
- Lower health care costs for both active and retired teachers.
- Guarantee financial security in retirement.
- End "District of Innovation" exemptions on basic standards like class-size limits, certified teachers, and a defined work year.
- Create professional and respectful working conditions.
- End the overemphasis on the STAAR and standardized tests.
