CHOOSE TO THRIVE

RESOURCES TO HELP YOU THRIVE

Local Advocacy—supports members building local power at the campus and district levels to win on issues such as pay, benefits, and working conditions

School Board Elections—supports local candidates for school board and engages school boards through political mobilization

Share My Lesson—offers a national database with over 420,000 free lesson plans and activities

First Book—partners to provide free books and classroom resources, distributing nearly 3 million free books to Texas Title I schools

Legislative Advocacy—organizes the largest statewide mobilization effort to engage public school employees to hold elected lawmakers accountable

Student Loan Relief—provides Student Debt Clinics and Summer benefit to help educators lower their student loan costs

Labor Rights—supports labor-management collaboration through a local elected consultation process

Employee-Focused—represents only teachers & staff, not administrators

Community Schools—promotes community schools model in neighborhood public schools to provide wraparound services

Local Support—provides more local/regional offices and staff representatives than any other education organization

National Support—affiliated with a national organization

Union Strong—affiliated with the 12.5 million-member AFL-CIO
