Dear Friends,

Our public schools, our students, our teachers, and all school employees are under attack. While you have no doubt seen the attempts to privatize our schools by people like Gov. Greg Abbott or Sen. Ted Cruz, the worst attacks are being made right here in Cy-Fair ISD. If we don't act now, those who attack us will serve on your school board!

Cy-Fair has seen an increasing number of speakers and activists who associate with Moms for Liberty and other organizations funded by people intent on dividing us in order to win political favor. Control of the Cy-Fair Board of Trustees is being challenged by a group of people who associate with the same donors who push the idea that slavery was merely a vocational training program- <https://www.nbcnews.com/news/us-news/new-florida-standards-teach-black-people-benefitedslavery-taught-usef-rcna95418>.

Where do you think these people stand on equity? Where do you think they stand on book bans? Where do you think they stand on human decency for everyone? Where will our students be if they win? All our students deserve the right to learn about heroes like Sylvia Mendez and her brave contributions to an equal education for all- <https://www.uscourts.gov/educational-resources/educational-activities/background-mendez-v-westminster-re-enactment>.

Cy-Fair parents, students, and school employees are counting on you to vote in this election and vote for trustees who will give them a fair shot at an honest education. Will they be able to count on your support on Nov. 7? We don't have the money to send out slick flyers, but I hope you know our concern is genuine and the need is great. We can't protect our schools without your help. Please vote and consider voting for our endorsed candidates below:

Amigos,

Nuestras escuelas públicas, nuestros estudiantes, nuestros maestros y todos los empleados escolares están bajo ataque. Sin duda han visto los intentos de privatizar nuestras escuelas por parte de personas como el gobernador Greg Abbott o el senador Ted Cruz. Los peores ataques se están cometiendo aquí mismo en Cy-Fair ISD. ¡Si no actuamos ahora, aquellos que nos atacan formarán parte de la mesa directiva escolar!

Cy-Fair ha visto más y más oradores y activistas que se asocian con “Moms for Liberty” y otras organizaciones financiadas por personas que intentan dividirnos para ganar favor político. El control de la mesa directiva escolar de Cy-Fair está siendo desafiado por un grupo de personas que se asocian con los mismos donantes que impulsan la idea de que la esclavitud era simplemente un programa de entrenamiento vocacional: <https://www.nbcnews.com/news/us-news/new-florida-standards-teach-black-people-benefitedslavery-taught-usef-rcna95418>.

¿Cuál crees que es la posición de estas personas en la igualdad? ¿Cuál crees que es su posición respecto de la prohibición de libros? ¿Cuál crees que es su posición respecto de la decencia humana para todos? ¿Dónde estarán nuestros estudiantes si ganan? Todos nuestros estudiantes merecen el derecho de aprender sobre héroes como Sylvia Méndez y sus valientes contribuciones a una educación igualitaria para todos- <https://www.uscourts.gov/educational-resources/educational-activities/background-mendez-v-westminster-recreación>.

Los padres, estudiantes y empleados escolares de Cy-Fair cuentan con usted para votar en esta elección y votar por miembros de la mesa directiva que les darán una oportunidad justa de recibir una educación honesta. ¿Podemos contar con su apoyo el 7 de noviembre? No tenemos el dinero para enviar folletos elegantes, pero esperamos que sepan que nuestra preocupación es genuina y la necesidad es grande. No podemos proteger nuestras escuelas sin su ayuda. Por favor vote y considere votar por nuestros candidatos respaldados:
