

# MAKE YOUR COMMITMENT TO THRIVE

## SPRING AFT'S POWER IS OUR POWER

Spring AFT members continue to build power and win on important issues. Our collective "power" reshapes school policy, improves working conditions, gives school employees a real voice in the decision-making process, and stands up against attacks on our public schools. Together, we make a difference. It is our time to thrive as powerful force by becoming an official chartered local union of the Texas AFT, AFT, and AFL-CIO.

**Yes! I will join with my co-workers to democratically vote "YES" to chartering our union with the 1.7-million-member American Federation of Teachers (AFT), Texas AFT, and the 13.5 million-member AFL-CIO in May 2024.**
